30th January 2012

Dear Students and Parents,

Re: Classic Curriculum Enhancement Summer Programme in the UK in 2012

We have great pleasure in inviting you to attend an information seminar regarding Excel Academy's Curriculum Enhancement Summer Programme held in the UK for Junior Form (Forms 1-3) and Senior Form (Forms 3-5). Please find enclosed Excel Academy's programme itinerary for further information.

The Excel Academy has successfully organised programmes for Hong Kong schools over the last 19 years. The Academy prepares complete learning experiences that focus on developing students' creativity in English, giving your children an opportunity of developing their confidence in communicating in English positively and meaningfully. The feedback from past students and accompanying teachers has been very positive and participants remarked that they thoroughly enjoyed the experience and felt a lot more confident in expressing their own ideas and speaking in English.

The Summer Programme will be conducted at a very prestigious UK boarding school and the student/teacher ratio is no more than 15 students per class. Form 3 students can choose to enrol either Junior Form or Senior Form depending on their ages or their English standard.

HKUGAC can form our own group if more than 30 students join, but the maximum no. for each group is 45 for this programme. If our enrolment number falls below 30, we may have to form a group with another school.

We have invited Mrs Hanna Walton, the Principal of the Excel Academy, to introduce the programme to you in an information seminar to be held on **18th February 2012 (Saturday)** at **2:00 pm** at School Hall, 3/F, HKUGA College.

Please return the reply slip to your class teacher **on or before 6th February 2012.**

With best wishes,

HKUGA College Parent-Teacher Association
