Dear Parents,

Re: PTA 5th Newsletter - New Sharing Column for S1-3 Study/Service Trips

On behalf of the PTA Newsletter Editorial Board, we are glad to announce that a sharing column will be added in the coming issue of Newsletter for S1 to S3 students to share with us interesting events, genuine feelings, important findings or memorable snapshots in their study/service trips this year. This new column will be particularly meaningful to students and teachers who have taken part to have recollections of the unforgettable moments they have experienced together. It is also intended to reinforce or extend students' learning in the trips and help build up a reflective as well as sharing culture.

Articles in **200-400 words** in either Chinese or English or photographs of sizes between **3R to 5R**, preferably in **jpg format**, and with precise captions are welcome. All write-ups or snapshots should be sent with author's name, class and class no. clearly indicated, to our editor in charge of this column, Ms. Jackey Yan at yanjackey@gmail.com, with c.c. to PTA Newsletter Editorial Board at info@hkugac.edu.hk, by **end of May 2011 the latest**. Among all submissions, we shall select about 5 to be published.

Since student perspectives are always of interest to students, teachers, parents and all other stakeholders, your child's input will surely make our PTA Newsletter more attractive to all. Please encourage your child to take the chance and thank you in advance for your support!

Yours sincerely,

PTA Newsletter Editorial Board
